

Food drive a big success

Posted Oct. 6, 2009—A proposal was made at the NFLA's Sept. meeting that food and donations for the Columbia Falls Food Bank be collected at the October meeting. Answering the call, members came to the October meeting laden with boxes and bags of food.

Bob Grimaldi, the organizer of the event, reports that the gross weight of food items donated came to 327 lbs and the total amount of cash collected was \$290.

The food and checks will be delivered to the Columbia Falls Food Bank on Tuesday, Oct. 6th. Last minute donations are welcome and can be dropped off at Mr. Grimaldi's in Polebridge through Monday.

Many thanks to NFLA members Bob Grimalid and Jan Caldwell. Mr. Grimaldi proposed the food drive and organized the event. Mr. Caldwell volunteered to help with pickup and delivery of the food.

And many thanks to the members of the NFLA who contributed. Their generosity helped the NFLA get involved in a community service project, improve our image and provide others with a small share of our good fortune.
