

Annual hall cleanup a success

Posted May 24, 2011- Another summer has begun with the annual cleanup of Sondreson Hall. Neighbors who showed up to help included the Hildners, Caldwelles, McDonoughs, Novak/Reardon, Heaphys, Lee Secrest, Ted Ramon and Peter Freund. In addition to the usual clean up activities, the outhouse was painted inside and out, exterior/interior logs were chinked and the front benches were sanded and restained. Earlier in the week, Tom Edwards repainted the kitchen sink cabinet. Thanks to everyone who helped get the hall ready for another busy season.
