

Jean Grimaldi has passed away

Posted July 4, 2011- Jean Grimaldi, a long time summer resident of Polebridge and NFLA member, passed away last Tuesday, June 28th. Jean and her husband Bob have been coming to the North Fork since the 1970s, becoming involved in the community. Over the last couple of years, both Jean and Bob gave freely of their time to organize, advertise, and run a food drive for the local food banks. Jean loved the North Fork and will be missed. Our condolences go out to Bob and their five children during this difficult time.
